1.1. The Company is the owner, has title to and is lawfully seized and possessed of the mortgaged property and has good right, full power and authority to convey, transfer and mortgage the same to the Lender, and such property is free from any and all liens and encumbrances prior to or on parity with the lien of this Security Agreement (excepting only any statutory lien or lien for ad valorem taxes not now in default, and the rights, titles and interests of the Lessees under the Leases) and the Company will warrant and defend such title thereto against all claims and demands whatsoever.

1.2. The Company will promptly cause the Leases, the Security Agreement and the Assignments of Lease referred to in Section 2.1 hereof and each supplement or amendment hereto or thereto to be duly filed and recorded with the Interstate Commerce Commission in accordance with Section 20c of the Interstate Commerce Act. 1.4. Subject to the rights of the Lessees, the Company will cause the mortgaged property and each and every part thereof to be maintained, preserved and kept in safe and good repair, working order and condition, and will from time to time make or cause to be made all necessary and proper repairs, renewals, and replacements so that the value and efficiency of such property shall not be impaired.

1.6. The Company will at its own expense duly comply with and perform all the covenants and obligations of the Company under the Leases and will at its own expense seek to cause the Lessees to comply with and observe all the terms and conditions of the Leases and, without limiting the foregoing, at the request of the Lender, the Company will at its own expense take such action with respect to the enforcement of the Leases, and the duties and obligations of the Lessees thereunder, as the Lender may from time to time direct. So long as Company is not in default hereunder, Company shall have the right, without Lender's prior consent, to amend, modify and terminate

any of the Leases and to settle, adjust, compound and compromise any claims of the Company against any of the Lessees thereunder.

1.7. The Company shall not, without the prior written consent of Lender, consent to the creation or existence of any mortgage, security interest or other lien on the Leases, the rentals due thereunder or any of the mortgaged property.

1.8. So long as any indebtedness under the Note remains unpaid, the Company will deliver or cause to be delivered to Lender, as soon as available, and in any event within 120 days after the end of each fiscal year, copies, in comparative form with the preceding fiscal year, of the consolidated balance sheet of U. S. Railway Mfg. Co. ("Railco"). Company and United States Railway Leasing Company as at the end of such fiscal year, and of the consolidated statements of income and surplus of all of such companies for such fiscal year. Such consolidated balance sheets and consolidated statements of income and surplus shall be prepared in reasonable detail, in accordance with generally accepted accounting principles, and shall be accompanied by a report and opinion of independent certified public accountants of recognized standing selected by Railco, which report and opinion shall be based upon an examination made in accordance with generally accepted auditing standards. Together with each delivery of the financial statements hereinabove required, Company will deliver to Lender an officer's certificate stating that to such officer's knowledge there exists no default under this Security Agreement or the Note, or if such default exists, stating the nature thereof, the period of existence thereof and what action, if any, the Company proposes to take with respect thereto.

1.9. If the Company shall fail to observe and perform any of the covenants set forth in this Section 1, the Lender may, but shall not be obligated to, advance sums to, and may, perform the same, and all advances made by the Lender shall, with interest thereon at a rate of interest per annum equal to 1% in excess of the rate of interest then charged under the Note, constitute part of the indebtedness hereby secured and shall be payable forthwith; but no such act or expenditure by the Lender shall relieve the Company from the consequence of any default.

1.10. It shall be lawful for the Company to retain possession of the mortgaged property, and at its own expense to keep and use the same, until an event of default as hereinafter defined shall occur hereunder.

1.11. Company shall from time to time do all such acts and execute all such instruments of further assurance as it shall be reasonably requested by Lender to do or execute for the purpose of fully carrying out and effectuating this Security Agreement and the intent hereof.

SECTION 2. *Application of Proceeds of Lease and Certain Prepayments:*

2.1. The Company has executed and delivered to Lender Assignments of Lease in the form and text attached hereto as Schedule II, dated as of October 1, 1976 ("Assignments"), with respect to the Leases, under which the Company assigns and transfers unto Lender, its successors and assigns, as further security for the indebtedness hereby secured, the Leases and all rentals and other sums due and to become due thereunder, provided that unless and until an event of default under Section 3 hereof has occurred and is continuing, all rentals and other sums from time to time payable on account of the Leases shall be payable to Company. If an event of default under Section 3 hereof has occurred and is continuing, all rentals and other sums from time to time payable on the Leases shall be payable to Lender pursuant to the Assignments and shall be applied in the manner set forth in Section 3.3 hereof. In the event any Car shall be re-leased pursuant to a lease which is not a Lease subject to a then existing Assignment, Company will promptly execute and deliver to Lender an additional Assignment with respect to such additional lease.

2.2. Without regard to whether an event of default under Section 3 hereof has occurred and is continuing, Company agrees that it will either pay over to Lender all monies ("settlement monies") paid to it pursuant to any Lease as settlement for the loss, theft, destruction or damage beyond economical repair of any Car or Cars leased thereunder or make a substitution therefor, all as follows: commencing with the first settlement relating to any Car covered by any Lease, Company will retain and accumulate the settlement monies received from a settlement or succeeding settlements under such Lease until such time as the Company has accumulated an amount in excess of \$50,000.00 at which time either all such settlement monies then held by the Company will be applied against the indebtedness due under the Note as herein-after provided or Company shall subject to the lien of the Security Agreement Substitute Cars (as hereinafter defined) of a Value (as hereinafter defined) not less than the settlement monies. The foregoing

procedure for accumulating and paying over settlement monies in excess of \$50,000.00 or substituting Cars may be repeated from time to time as Cars are lost, stolen, destroyed or damaged beyond economical repair. Lender shall apply each payment of settlement monies on the next succeeding quarter-annual installment payment date to the prepayment of principal of the Note. Such prepayment of principal shall be applied in inverse order of quarter-annual installments of principal and interest coming due on the Note. From and after the date hereof the Company shall promptly transmit to Lender any notice or information it receives concerning loss, theft, destruction or damage beyond economical repair to Cars covered by the Leases requiring settlement payment under the Leases. With respect to all Cars for which Lender has received all settlement monies paid to the Company as required by the Leases, Lender shall execute and deliver to Company, if requested, a release of the lien of this Security Agreement with respect to such Cars and a release of the Assignment of the Lease covering such Cars as such Assignment pertains to such Cars.

2.3. At any time and from time to time so long as Company is not in default hereunder, Company shall have the right to obtain a release from the lien of the Security Agreement and from the applicable Assignment those of the Cars Company shall designate in writing to Lender (the "Released Cars"), provided that Mortgagor shall prior to or contemporaneously with such release deliver to Mortgagee the following documents:

1. An amendment to this Security Agreement pursuant to which the Company grants a security interest in standard gauge railroad equipment (other than passenger cars or work equipment) (the "Substitute Cars") which (i) were first put into service not earlier than January 1, 1976, (ii) are under a lease assigned pursuant to an Assignment, (iii) in the aggregate had a cost to Company of not less than the aggregate cost of the Released Cars, and (iv) have a Value in the aggregate not less than the Value in the aggregate of the Released Cars;

2. An Assignment of the Lease covering the Substitute Cars, except with respect to any such Lease which has theretofore been assigned hereunder; and

3. An opinion of counsel of Company covering the title to the Substitute Cars and the lien of the Security Agreement with respect thereto and the Assignment of the Lease covering the Sub-

stitute Cars, in substantially the form and substance set forth in Exhibit D to the Loan Agreement dated as of October 1, 1976 (the "Loan Agreement") among Company, Lender and the guarantors of the Note.

As used in Section 2.2 and this Section 2.3, the term "Value" shall mean the fair market value of the Substitute Cars or the Released Cars, as the case may be, as certified by the president or any vice president of Company.

SECTION 3. *Defaults and Other Provisions:*

3.1. The term "event of default" for the purpose hereof shall mean any one or more of the following:

(a) Default in the payment of interest on the Note, and the continuance of such default for five days after such payment is due;

(b) Default in the payment of any installment of principal of the Note at maturity, whether by acceleration or otherwise, and the continuance of such default for five days after such payment is due;

(c) Default in the due observance or performance of any other covenant, condition or agreement required to be observed or performed by the Company in the Note, this Security Agreement or any Assignment or by any guarantor ("Guarantor") under any guaranty of the Note and continuance of such default for a period of 30 days after notice thereof has been given to Company or such Guarantor, as the case may be;

(d) Any representation or warranty made by the Company or any Guarantor to the Lender in writing in the Loan Agreement, this Security Agreement or any Assignment or in any statement or certificate furnished by the Company or Guarantor to the Lender or in connection with the making or securing of any loan evidenced by the Note proves untrue in any material respect as of the date of the issuance or making thereof;

(e) The Company or a Guarantor becomes insolvent or bankrupt or admits in writing its inability to pay its debts as they mature or makes an assignment for the benefit of creditors or applies or consents to the appointment of a trustee or receiver for the Company or a Guarantor or for the major part of the property of any of such parties;

(f) A trustee or receiver is appointed for the Company or a Guarantor or for the major part of the property of any of such parties;

(g) Bankruptcy, reorganization, arrangement, insolvency, or liquidation proceedings, or other proceedings for relief under any bankruptcy law or similar law for the relief of debtors, are instituted by or against the Company or a Guarantor.

3.2. When any such event of default has happened and is continuing, the Lender may exercise any one or more or all, and in any order, of the remedies hereinafter set forth, it being expressly understood that no remedy herein conferred is intended to be exclusive of any other remedy or remedies; but each and every remedy shall be cumulative and shall be in addition to every other remedy given herein or now or hereafter existing at law or in equity or by statute:

(a) The Lender may, upon the occurrence of a default under Paragraph 3.1(a), (b), (c) and (d), by notice in writing to the Mortgagor, declare the entire unpaid balance of said Note to be immediately due and payable, and thereupon all such unpaid balance, together with all accrued interest thereon, shall be and become immediately due and payable; provided, however, that upon the occurrence of a default under Paragraph 3.1 (e), (f) or (g), the entire unpaid balance of the Note, together with all accrued interest thereon, shall be and become immediately due and payable without notice by Lender;

(b) Subject always to then existing rights, if any, of the Lessees under the Leases, the Lender, personally or by agents or attorneys, shall have the right (subject to compliance with any applicable mandatory legal requirements) to take immediate possession of the mortgaged property, or any portion thereof, and for that purpose may pursue the same wherever it may be found, and may enter any of the premises of the Company, with or without notice, demand, process of law or legal procedure, and search for, take possession of, remove, keep and store the same, or use and operate the same until sold; it being understood, without limiting the foregoing, that the Lender may, and is hereby given the right and authority to, keep and store said mortgaged property, or any part thereof at the expense of the Company, on the premises of the Company, and that the Lender shall not thereby be deemed to have surrendered, or to have failed to take, possession of such mortgaged property;

(c) Subject always to then existing rights, if any, of the Lessees under the Leases, the Lender may, if at the time such action may be lawful and always subject to compliance with any mandatory legal requirements, either with or without taking possession, and either before or after taking possession, and without instituting any legal proceedings whatsoever, and having first given notice to such sale by registered mail to the Company once at least ten days prior to the date of such sale, and any other notice which may be required by law, sell and dispose of said mortgaged property, or any part thereof, at public auction or private sale to the highest bidder, in one lot as an entirety or in separate lots, and either for cash or on credit and on such terms as the Lender may determine, and at any place (whether or not it be the location of the mortgaged property or any part thereof) designated in the notice above referred to. Any such sale or sales may be adjourned from time to time by announcement at the time and place appointed for such sale or sales, or for any such adjourned sale or sales, without further published notice; and the Lender or the holder or holders of the Note, or of any interest therein, may bid and become the purchaser at any such sale; and if disposed of as provided above, it shall be deemed to be in a commercially reasonable manner;

(d) The Lender may proceed to protect and enforce this Security Agreement and the Note by suit or suits or proceedings in equity, at law or in pending bankruptcy or reorganization proceedings, and whether for the specific performance of any covenant or agreement herein contained or in execution or aid of any power herein granted, or for foreclosure hereunder, or for the appointment of a receiver or receivers for the mortgaged property or any part thereof, or for the recovery of judgment for the indebtedness hereby secured, or for the enforcement of any other proper legal or equitable remedy available under applicable law;

(e) The Lender may proceed to exercise in respect of the Leases and the property covered thereby and the duties, obligations and liabilities of the Lessees thereunder all rights, privileges and remedies in said Leases or by applicable law permitted or provided to be exercised by the Company, and may exercise all such rights and remedies either in the name of the Lender or in the name of the Company for the use and benefit of the Lender. Without limiting any of the other terms of this Security Agreement or of the Assignments, it is acknowledged that the Assignments shall

be deemed to give and assign to and vest in the Lender all the rights and powers in this paragraph (e) provided for;

(f) The Lender may sell the rentals reserved under the Leases, and all right, title and interest of the Lender as assignee thereof, at public auction to the highest bidder and either for cash or on credit, the Lender to give the Company ten days' prior written notice of the time and place of holding any such sale, and provided always that the Lender shall also comply with any applicable mandatory legal requirements in connection with such sale.

3.3. If the Lender shall be receiving or shall have received monies pursuant to the Assignments, it may from time to time, but no less frequently than on the next succeeding date on which interest or any installment payment of principal is payable, apply such monies against the sums payable on the Note as principal and/or as interest, as the case may be, on such date, or if proceedings have been commenced for the sale of the mortgaged property then all sums so received and the purchase money proceeds and avails of any sale of the mortgaged property or any part thereof, and the proceeds and avails of any other remedy hereunder, or other realization of the security hereby given, and the proceeds of any sale pursuant to subparagraph Section 3.2(f) hereof, shall be applied:

(a) First, to the payment of the cost and expenses of the sale, proceeding or other realization, including all costs and expenses and charges for pursuing, searching for, removing, keeping, storing, advertising and selling such mortgaged property or, as the case may be, said rentals and the reasonable fees and expenses of the attorneys and agents of the Lender in connection therewith, and to the payment of all taxes, assessments or similar liens on the mortgaged property which may at that time be superior to the lien of this Security Agreement (unless such sale or other realization is subject to any such superior lien);

(b) Second, to the payment of all advances made hereunder by the Lender pursuant to Section 1.9 hereof, together with all interest therefor;

(c) Third, to the payment of the whole amount remaining unpaid on the Note, both for principal and interest, and to the payment of any other indebtedness of the Company hereunder or secured hereby, so far as such proceeds may reach;

(d). Fourth, to the payment of the surplus, if any, to the Company or to whomsoever may be lawfully entitled to receive the same, or as a court of competent jurisdiction may direct.

The Lender shall not be liable for interest on any sums held by it pursuant to this Paragraph 3.3. If there be a deficiency the Company shall remain liable therefor and shall forthwith pay the amount of any such deficiency to the Lender, together, to the extent permitted by applicable law, with interest thereon at the default rate specified in the Note.

3.4. Any sale or sales pursuant to the provisions hereof, whether under the power of sale granted hereby or pursuant to any legal proceedings, shall operate to divest the Company of all right, title, interest, claim and demand whatsoever, either at law or in equity, of, in and to the mortgaged property so sold, and shall be free and clear of any and all rights of redemption by, through or under the Company, the Company hereby covenanting and agreeing that it will not at any time insist upon or plead, or take the benefit or advantage of or from, any law now or hereafter in force providing for a valuation of appraisement of the mortgaged property prior to any sale or sales thereof or providing for any right to redeem the mortgaged property or any part thereof. The receipt by the Lender, or by any person authorized under any judicial proceeding to make any such sale, shall be a sufficient discharge to any purchaser of the mortgaged property, or of any part thereof, sold as aforesaid; and no such purchaser shall be bound to see to the application of such purchase money, or be bound to inquire as to the authorization, necessity or propriety of any such sale. In the event at any such sale the holder or holders of the Note is or are the successful purchaser or purchasers, such holder or holders of said Note shall be entitled, for the purpose of making settlement or payment, to use and apply said Note by crediting thereon the amount apportionable and applicable thereto out of the net proceeds of such sale.

SECTION 4. *Miscellaneous.*

4.1. Any notice provided for hereby or by any applicable law to be given hereunder or under the Assignments by either party hereto to the other shall be in writing and shall be deemed to have been given when delivered personally or when deposited in the United States mail, registered, postage prepaid, addressed to such party at its address set forth at the beginning of this Security Agreement or to such other

address as shall be designated by such party from time to time hereafter.

4.2. The failure or delay of the Lender to insist in any one or more instances upon the performance of any of the terms, covenants or conditions of this Security Agreement, or to exercise any right, remedy or privilege herein conferred, shall not impair, or be construed as thereafter waiving, any such covenants, remedies, conditions or provisions; but every such term, condition and covenant shall continue and remain in full force and effect. Nor shall the giving, taking or enforcement of any other or additional security, collateral or guaranty for the payment of the indebtedness secured under this Security Agreement operate to prejudice, waive or affect the security of this Security Agreement or any rights, powers or remedies hereunder; nor shall the Lender be required to first look to, enforce or exhaust such other or additional security, collateral or guaranties.

4.3. The unenforceability or invalidity of any provision or provisions of this Security Agreement shall not render any other provision or provisions herein contained unenforceable or invalid.

4.4. All the covenants, stipulations, promises, undertakings and agreements herein contained by or on behalf of the Company shall bind its successors and assigns and inure to the benefit of the Lender and its successors and assigns, whether so expressed or not.

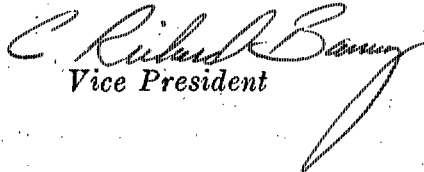

4.5. Company agrees to pay all costs and expenses in connection with this transaction and the preparation, execution, delivery and recording of any documents in connection therewith, including the fees of special counsel to Lender.

4.6. No modification or waiver of any provisions of this Security Agreement or any guaranty of the Note, nor consent to any departure therefrom, shall in any event be effective unless the same shall be in writing and then such waiver or consent shall be effective only in the specific instance and for the purpose for which given. No notice to or demand on the Company in any case shall entitle it to any other or further notice or demand on account of the continuance of the same circumstances.

4.7. This Security Agreement shall be construed in accordance with and shall be governed by the laws of the State of Illinois.

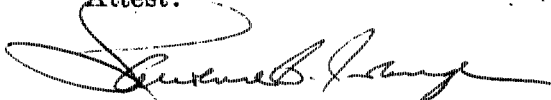

IN WITNESS WHEREOF, the Company has caused its corporate name to be hereunto subscribed and its corporate seal to be hereunto affixed by its officers thereunto duly authorized all as of the day, month and year first above written.

ASSIGNMENT OF LEASE

WHEREAS, UNITED STATES RAILWAY EQUIPMENT Co., a corporation of the State of Illinois (hereinafter referred to as "United"), and

(said lessee together with any party claiming by, through or under said lessee being hereinafter referred to as "Lessee"), have entered into a lease dated _____ (said lease as may be amended from time to time being hereinafter called the "Lease"), providing for the lease by United to the Lessee of certain railroad cars therein described (hereinafter referred to as the "Cars"); and

WHEREAS, the Lease was recorded pursuant to the provisions of Section 20c of the Interstate Commerce Act, as amended, and assigned recordation number _____; and

WHEREAS, UNITED STATES NATIONAL BANK OF OREGON (hereinafter referred to as "Lender") is the mortgagee under a certain Railroad Equipment Security Agreement ("Security Agreement") dated as of October 1, 1976 securing the loan of certain monies to United evidenced by United's note and United has agreed to assign all of its right, title and interest in and to the Lease to Lender as additional security for the note all as set forth in the Security Agreement.

NOW, THEREFORE, for value received and upon the terms and conditions hereinafter set forth:

1. United does hereby sell, assign, transfer and set over to Lender all of its right, title and interest in and to the Lease, including the rentals and all other amounts payable by the Lessee or any other person, firm or corporation with respect to the Cars or under the Lease, except that any amount so payable shall continue to be payable to United until and unless Lender or its successors or United shall notify the Lessee or any successor to its interest that an event of default has occurred under the terms and provisions of the Security Agreement and that payments are thereafter to be made to Lender, or its successors, United agreeing that Lender shall have, upon the occurrence of an event of default as aforesaid, the right and power to give any and all notices to the Lessee in the name of United; and in furtherance of this Assignment and transfer, United does hereby authorize and empower Lender in the event of notice of a default as aforesaid, in its own name to sue for, collect, receive and enforce all payments to be made

to United by the Lessee under and in compliance on the part of the Lessee with the terms and provisions of the Lease, to exercise all of the rights of United under any of the provisions of the Lease, and in its discretion to take any action under the Lease or with respect to the Cars as United could have taken thereunder if it had not assigned and transferred its rights therein, provided that nothing herein shall obligate Lender to take any action under the Lease or in respect of the Cars.

2. United warrants and covenants (a) that on the date hereof title to the Cars and the Lease (subject to this Assignment and the rights of the Lessee under the Lease) is vested in United, that it has good and lawful right to sell and assign the same as provided in the Security Agreement and herein and that its right and title therein is free from all liens and encumbrances, subject, however, in each case to the rights of the Lessee under the Lease and to the rights of the assignee hereunder; and (b) that notwithstanding this Assignment, it will perform and comply with each and all of the covenants and conditions in the Lease set forth to be complied with by United and will defend and pay all costs, expenses and judgments incurred or suffered by it or Lender in any actions brought against United under the Lease by Lessee or in any actions brought by Lender pursuant to this Assignment. United will cause notice of this Assignment forthwith to be given to the Lessee (together with a copy of this Assignment).

3. United represents and warrants that the Lease has been duly authorized and executed by it and covenants that it will, from time to time, at the request of Lender, make, execute and deliver all such further instruments of assignment, transfer and assurance and do such further acts and things as Lender may reasonably request to give effect to the provisions hereof and to confirm the right, title and interest hereby assigned and transferred to Lender or intended so to be.

4. So long as United is not in default under the Security Agreement, United shall have the right without the prior consent of Lender to terminate, modify or accept a surrender of and settle, adjust, compound and compromise any claim against any Lessee under any Lease or offer or agree to any termination, modification or surrender of and settle, adjust, compound and compromise any claim against any Lessee under any Lease.

5. Upon full discharge and satisfaction of all indebtedness secured by the Security Agreement, the assignment made hereby shall terminate and all estate, right, title and interest of Lender in and to the Lease shall cease and revert to United. Lender agrees that upon (i) satisfaction of the indebtedness as aforesaid, (ii) termination of the Lease in the manner herein permitted or (iii) the occurrences of the events specified in Sections 2.2 and 2.3 of the Security Agreement which specifically provide for such release or reassignment, it will execute and deliver to United a release or reassignment of its interest hereunder as United may request.
